INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 40611-S1
PHASE II

You are hereby notified that the Indiana Utility Regulatory Commission ("Commission") has, on this date, caused the following entry to be made:

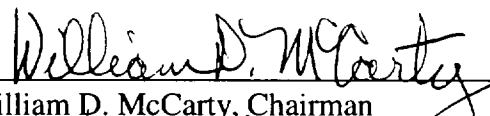

On February 17, 2003, the Commission issued its final order in this Cause. On March 3, 2003, Indiana Bell Telephone Company d/b/a SBC Indiana ("SBC") filed its Motion for Stay and Petition for Reconsideration of certain issues addressed therein. On March 12, 2003, WorldCom, Inc., Covad Communications Company, AT&T Communications of Indiana, G.P., TCG Indianapolis and McLeodUSA Telecommunications Services, Inc. (the "Indiana CLECs") filed their Joint Response to SBC Indiana's Motion for Stay and Petition for Reconsideration. On March 14, 2003 SBC Indiana filed its Reply to Joint Response of CLECs in Support of Motion for Stay and Petition for Reconsideration. All filings are incorporated herein by reference.

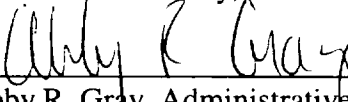

SBC relied on the Federal Communications Commission's ("FCC") adoption of new unbundling rules on February 20, 2003 in the *Triennial Review*. To date, the order has not been issued by the FCC.

The presiding officers, being sufficiently advised in the premises, now find that SBC Indiana's Motion for Stay should be granted, in part. Specifically, the portion of our February 17, 2003 Order requiring SBC to provide access to its Project Pronto DSL architecture should be stayed in this proceeding pending the issuance of an order by the FCC and review of same.

The remaining issues subject to the Motion for Stay and Reconsideration are under advisement.

IT IS SO ORDERED.

William D. McCarty, Chairman

Abby R. Gray, Administrative Law Judge
